## **Pentagon EMS Signs Representation Deal With Electri-Rep Of Minnesota**

**Beaverton, OR (January 25, 2008)** – Pentagon EMS Corporation, a premier designer and manufacturer of custom tooling and fixtures for the electronic assembly industry, today announced the signing of Electri-Rep of Minnesota, an experienced and successful Manufacturers Rep firm and distributor of electronic assembly equipment and materials in the Northern Central States.

With a combined 40 plus years in the electronics industry, Electri-Rep of Minnesota serves and supports it's customers and prospects in N. Dakota, S. Dakota, Minnesota and Western Wisconsin from it's main office located in Minnetonka, MN.

"The partnership of Pentagon and Electri-Rep should be a win-win for us as well as our customers and prospects in this region," says Pentagon V.P. of Sales, Chad Haima. "We are happy to have them on the team."

## About Electri-Rep

Electri-Rep is a Manufacturers' Representatives firm for OEM's in Electronic Assembly, Test and Inspection. The company is built with a commitment to representing only the highest tier suppliers with a goal of providing the best representation, service, and technical assistance with process equipment solutions for SMT Printers, Dispensers, Placement, Reflow, Wave solder, Cleaning, Rework, AOI, SPI, X-ray, ICT and Wire and Cable Processing.

Electri-Rep also specializes in process supplies including ESD Prevention, Solder and Fluxes, Hand Tools, Seating, Solder Pallets, Cleaning Chemistries, Swabs and Wipes and Clean Room Consumables.

Electri-Rep of Minnesota services Minnesota, North and South Dakota as well as Wisconsin.
