Pentagon EMS to exhibit at SMTAI Orlando

Beaverton, OR (June 19, 2007) – Pentagon EMS Corporation will be exhibiting at SMTAI, October 9&10, 2007 at Gaylord Palms Convention Center and Hotel in Orlando, FL.

Pentagon's exhibit will feature the latest in their line of PCB assembly tooling products, designed to bring speed, efficiency and optimization to all processes involved in PCB assembly. This includes all of their latest designs and innovations for Wave Solder Pallets, SMT Process Carriers, Conformal Coating and Press Fit Tooling and more.

Pentagon will be exhibiting at booth #608. Knowledgeable staff will be on hand to answer questions about these and other products including fixtures and tooling for AOI, 5DX, Flying Probe, Vibration and Functional Testing, Custom Applications and more.

For more information about Pentagon EMS, visit their website at www.pentagon-ems.com.
